

## BRCA 1:10 Off-Road Regional – 4th and 18<sup>th</sup> May 2008

### Location

The West Kent Radio Car Club Off-Road Circuit is located in the grounds of The Plough Inn, Hildenborough, Kent, which is only a 10 minute drive from the A21. Leave the A21 at the exit marked for Hildenborough and Tonbridge (B245). Follow the B245 towards and through Hildenborough where you will pass “Stormonts” and a Volvo dealer. The road goes slightly downhill to a pub on the left hand side called the Flying Dutchman. Turn right opposite the pub into Leigh Road and continue straight ahead under the railway bridge. The road narrows in several places and there are a few sharp bends. Take care as this is a bus route. The Plough and the car park entrance will be on your right. Turn into their car park and continue to the end where you will see the latest addition to West Kent Radio Car Club. Park as directed in the lower half of the field.

The Plough Inn is very busy on Sunday particularly around lunchtime when it is popular with families. Please treat everything with the appropriate degree of care and consideration.

### The Area

Tonbridge is only 2 miles from the circuit. Head back to the Flying Dutchman and turn right. All the usual amenities that can be expected from a busy town can be found here. There are numerous pubs/restaurants including McDonalds which is situated at the far end of the High Street. All major Banks and most Building Societies have branches there.

### Arrival

The track will be open all day Saturday for unsupervised practise and then from 8am on Sunday. If you do attend Saturday please be considerate towards the neighbours.

### The Track and Facilities

The track is completely grass and has only recently been constructed out of a disused piece of land. The ground is fairly bumpy so therefore expect a rough ride until the surface settles down. To familiarise yourself, some photos have been posted in the “Forum” section on the club’s website.

The Plough Inn is adjacent to the track at the bottom end of the car park. Inside you can find food and drinks along with toilets. To access the toilets please go past the front of the building, down the steps

and enter by the right hand door at the bottom. The toilets are located at the top of the steps on the left. Please be considerate to staff and customers.
