

## Newsletter No 38 - July 1997

### YMCA Membership

You may recall that in the **April newsletter** I mentioned that we were trying to sort out a new method of payment with the **West Kent YMCA**. Well ..... we tried ..... and failed.

I had hoped to try and negotiate a way round having you pay a **membership fee** every year. I would have preferred to pay them a higher attendance fee each time we had a meeting and *no annual membership fee*. Unfortunately when we actually got down to the nuts and bolts of it, this was not practical.

We are therefore having to resort to the old system :-

1. **All members will *have* to join the West Kent YMCA.**  
***You will find enclosed :- a) a membership form, b) a list of the fees.***  
**Fill in the form, sign a cheque,** or whatever, and send it off in the envelope I have supplied.  
I've made it nice and easy so **do it soon please.**

***Mark the envelope " Car Club".***

2. You will still pay the normal meeting fee each time you race :-  
**Juniors - under 18 = £1.50                      Seniors - 18 and over = £2.50**
3. From your fortnightly meeting fee **we**, the club, will take the **attendance fee**, and pay it to the YMCA. :-  
**Juniors = 50p    Seniors = 75p**
4. This means that for each junior who attends a PRCC meeting we keep £1.00. and for each senior who attends we keep £1.75. These amounts go towards **trophies** and **administration costs** (postage, stationery etc).

I'm sorry this has all taken so long to sort out !
